 There will not be live audio from church on Wednesday nights until we all are back in church.

Note: Facebook Live continues when Church starts.

- Church Outreach -

We have structured a **“SignUpGenius”** to ensure consistant visitation for **Mrs. Barbara Anderson**. Our prayer is that she will get to go home soon, but if not, she could be in the rehabilitation Center awhile.

The name of the facility is: **“Powder Springs Transitional Care and Rehab.”** Phone number is: **770-439-9199**. If your interested and can help please give your email to Mrs. Darlene Hancock then she will send you the ‘invite’ link to sign up via **“SignUpGenius”**

“Langston Aron Brook”
 Born: October 15,2020 @ 3:31 p.m.
 8 lbs * 11oz * 21.5
 Congrats to Taylor & Aron!

We have been very pleased with how our Sunday morning services have been going in light of the Covid-19 pandemic. However, we feel the need to continue to rebuild our Sunday morning service ministry very soon. We have a choir that wants to sing and we have teachers that want to teach.

Trust me when I say, I am fully aware of the seriousness of the pandemic, but also I am fully aware of the need for the Church to move forward! The idea of: Grocery Stores, Restaurant’s, Malls & Theater’s being open, yet God’s house being partially open, is wrong. Our first priority and need is to be in God’s house around God’s people, in God’s Word, growing & singing praises to Him!

We will not drift nor become complacent as a church, but we will slowly move forward with purpose of heart, trusting God will protect us from any virus and anything else that might come up against us! If the gates of hell will not prevail against the Church, nothing else will. (Matthew 16:18)

Be expecting the Choir back singing on Sunday mornings & also Sunday School back soon. Sunday night service & Wednesday night service should be back in place by the New Year. Thank you church for your faithfulness during this time!

- Melissa Slagle -

Note: Temperatures will be taken with a ‘touchless’ thermometer upon arrival. This is part of the CDC guidelines we are following.
