Our first two services back have been great. Thank you for all your support during this time! Our desire is to get all services & ministries of the church back regularly as soon as we can, one step at a time, ensuring your health and safety.

We will continue to use the tape on the pews as an idea where to sit. If you come with a family, please sit with your family. Our bulletin will remain online for now. We will follow CDC guidelines the best we can.

Sunday night & Wednesday night services will continue to be on Facebook Live until further notice. The deacons and myself are discussing our final thought's concerning "Phase two" of reopening Calvary. I will keep you informed and give you enough notice so you can plan accordingly.

Thank you!

Bro. Justin

- Mary Rich & Lea Ellen Rich -

Note: *Temperatures will be taken with a' touchless' thermometer upon arrival. This is part of the CDC guidelines we are following.*

A very special 'Thank you!' to Mrs. Terri Clayton for making the Father's Day pies! They were a huge hit!
