Plan a Window Visit

Barbara Anderson has been at this facility for awhile now. They have recently started her therapy again. You can imagine how she’s feeling. The whole goal is to get better and come home. So, all she’s doing is making it through each day, that’s it. It can get very lonesome & discouraging in these places over time. If you haven’t gone yet to visit her or you have gone, but it’s been awhile, there’s always opportunity to go. I recommend that you call first to get her room number, they move her from time to time. Here’s the information:

“Powder Springs Transitional Care and Rehab.” Phone number is: 770-439-9199.

Morning Service – Melita Busby
 Evening Service – Kristi Hayles
