- Church Outreach -

We have structured a “**SignUpGenius**” to ensure consistant visitation for **Mrs. Barbara Anderson**. Our prayer is that she will get to go home soon, but if not, she could be in the rehabilitation Center awhile.

The name of the facility is: “**Powder Springs Transitional Care and Rehab.**” **Phone number is: 770-439-9199.** If your interested and can help please give your email to Mrs. Darlene Hancock then she will send you the ‘invite’ link to sign up via “**SignUpGenius**”

Attention: Mrs. Barbara’s bithday is September 28th. It would be encouraging to her if anyone would like to send her a birthday card to her home address. All cards will be given to her at the Rehab center. **4322 Springdale Circle, Powder Springs, GA 30127**

Everyone has followed the guidelines as we have advised and no one has gotten sick to our knowledge. Thank you for all your support during this time! Our desire is to get all services & ministries of the church back regularly as soon as we can, one step at a time, ensuring your health and safety.

We will continue to use the tape on the pews as an idea where to sit. If you come as a family, please sit with your family. Our bulletin will remain online for now. We will follow CDC guidelines the best we can.

The Deacons and myself strongly feel we should put “Phase Two” of reopening Calvary on hold for now. Phase Two consist of; Sunday School and Choir, which would complete our entire Sunday morning service.

The Covid-19 confirmed cases are on the rise. When we entered “Phase One” of reopening Calvary, the cases were decreasing and we felt good about starting this process. The Deacons and myself have to work from tangible facts concerning this pandemic.

These are not easy calls to make, yet a call must be made and that call is to be “Pro-active” and not “Re-active.” It’s easy to say what decisions must be made when any given person is not making those decisions.

Sunday night & Wednesday night services will continue to be Facebook Live only. These two services will be “Phase Three.” Again, thank you for cooperating with us. We have your best interest in mind!
